EDUCATION

LOVELY PROFESSIONAL UNIVERSITY
Bachelor of Technology
Completed June'21 | Punjab, IND
Major: Computer Science & Engineering
Minor: Machine Learning
University ID: 11713122

PEPCODING
DSA and Web Development
Nov 2021 to Nov 2022 | Online
Extensive Curriculum in:
- Learning Data Structure and Algorithm
- UI/UX, Networking, MongoDB, Express.JS, React, Node.JS

COURSEWORK

UNDERGRADUATE
Computer Fundamentals
Operating System
Database Management
Data Structure & Algorithm
Computer Networks
Virtualization & Cloud Computing

SKILLS

TECHNICAL SKILLS
Proficient with:
Java • Front End Development • Git
Hibernate • Node • React(Learning)

Familiar with:
• AWS • Linux

Database:
MySQL • Oracle

Tools:
Visual Studio • Eclipse
IntelliJ IDEA • Figma

SOFT SKILLS
Outstanding:
Bilingual Communicator(English, Hindi)
Adaptability • Persistent • Team Leader

TECHNICAL PROJECTS & WORK EXPERIENCE

FILE ORGANISER | Node Project
Jan 2022 | Bihar, IND
- Created this technical project by myself using Node.JS with the help of Pepcoding Mentor.
- Technology use: Node

EMPLOYEE MANAGEMENT SYSTEM | Java Project
March 2022 | Bihar, IND
- Built this project in the middle of learning of Level 1 Data Structure and Algorithm using Java.
- Technology used: Java

RAILWAY MANAGEMENT SYSTEM | Capstone Project
May 2021 | Punjab, IND
- Lead a team of 3 members to design and build Full Stack website to manage the details of booking, fares etc.
- It also manage the details and information of the booking.
- Technology used: HTML, CSS, JavaScript, Spring Boot, MongoDB

TEACHING ASSISTANT | PepCoding.com
Nov 2021 | Delhi, IND
- Solved over 200+ Questions of Data Structure and Algorithm using Java.
- Helping other students in solving Data Structure and Algorithm Question using Java.
- Technology used: Java

EXTRA CURRICULUM & ACHIEVEMENTS

PROBLEM SOLVING   Nov 2021 | Online
- This PepCoding Skills development course is a standardized assessment aimed at evaluating a developer's coding proficiency.

MICROSOFT HACKATHON   Nov 2018 | Offline
- Participated in Microsoft Hackathon organized by Microsoft India at LPU Jalandhar.

PUBLICATIONS

RESEARCH PAPER | IJARESM
- **A Review: Use of Railway Management System in improving student learning** published by International Journal of Scientific Research in Engineering and Management
- Issue : April 30, 2021
